

How to write a letter of motivation

Your letter of motivation should explain your personal reasons for applying to the International Summer or Winter University. It should be short (1 page maximum) but concise and you may refer to following aspects:

- Why did you choose the Summer or Winter University at Hochschule Darmstadt University of Applied Sciences?
- What is your special interest in the subject?
- How does the topic of the module relate to your studies?
- What added benefit do you expect by attending our program?

Please make sure that your letter of motivation includes a letterhead with your name, address and contact information.
